## Despite Challenges of COVID-19 Businesses Continue to Open Doors in Westland

**Westland, MI – October 29, 2020** – Last week was a busy week in Westland as the City celebrated the grand opening of four new premier destination businesses; Versona, Sleepyhead Mattresses and More, Dreambox Boutique and Lefty's Cheesesteak. The City also welcomed Homestead Kitchen and a new Comcast Xfinity store in September.

Westland celebrated its first on-site grand opening since the pandemic related shut downs in September. Catrina Staats and her family joined the Westland business community with the opening of their new bakery, *Homestead Kitchen*. Homestead Kitchen is located at 8306 N. Wayne Rd. and offers a wonderful assortment of delicious cakes, baked goods, coffees and teas.

Also in September, Westland saw a new addition to the shop and dine district with the opening of a new *Comcast Xfinity Store*, located at 35745 Warren Road in the West Ridge Shopping Center. The 2,782 square foot facility features contemporary displays and comfortable seating areas where customers can interact with all Xfinity products and learn from trained technology specialists.

*Versona*, located in the Westland Shopping Mall 35000 Warren Road in the former Charming Charlies' spot, officially opened its doors on September 14th. Versona is a women's fashion boutique offering apparel, jewelry and accessories. Versona promises to be a fun shopping experience where women can find unique, on-trend styles at a great value. The franchise opened nine other stores on September 24 in: Illinois, Ohio, New York, New Hampshire, Texas and Florida. There are two stores in Michigan (Westland and Clinton Township). The storefront has received a head to toe interior makeover, full of glitz and glam complete with beautiful chandeliers.

*Sleepyhead Mattresses and More* located at 37816 Ford Road, opened in April of this year. They specialize in everything bedding, from mattress to the sheets and all the above. Their moto is "high quality with low prices." With a smaller building

footprint, they are able to keep prices low because they do not have to keep inventory in the store. All products are delivered free of charge.

**Dreambox Boutique**, also located at 37816 Ford Road, specializes in women's, men's and children's apparel as well as home décor. All products are one of a kind and all products are in the store for customers to see in person. The owner, Oriana, began her business exclusively online, but has now expanded to a small brick and mortar operation. Through her company, Oriana is proud to support and work with other local aspiring entrepreneurs.

**Lefty's Cheesesteak** is located at 7040 N. Wayne Road, opened October 20th, 2020. There are 29 locations (opened now and/or opening soon) in Michigan and 33 locations total nationwide. Lefty's is known for their cheesesteaks as well as their famous corned beef, which is marinated with their own recipe of spices and cooked in house every morning and sliced deli style on their very own slicing machines. The new interior has been designed to optimize social distancing and to be convenient and easy for customers to get their food. While there don't forget to stop by the dry erase board titled "lefty's corner" where right handed individuals are challenged to write their names left handed every day.

"Despite economic challenges caused by the COVID-19 pandemic, the entrepreneurial spirit is alive and well in Westland," commented Mayor William R. Wild. "We are very proud that these very unique businesses chose Westland, further enhancing the services and products available to our residents."
