## Westland to Save \$1.5 Million Through Refinancing City Hall Bond

**Westland, MI (March 19, 2021)** - On Monday, May 17, Westland Mayor William R. Wild announced another successful debt refinancing which will result in significant savings. In March, Westland issued \$82,470,000 in bonds to pay for a majority of the costs of its unfunded pension liability for the defined benefit pension plan for government employees administered by the Michigan Employees Retirement System of Michigan (MERS).

The new savings are the result of refinancing \$12,460,000 in Tax Increment Financing Authority (TIFA) bonds which were originally utilized to finance the new City Hall and Ralph Savini Fire Station projects. The new interest rate for the bonds came in at 2.005%. By issuing the 2021 Bonds at this low fixed rate, the city will realize \$1.5 million in savings over the life of the 2021 Bonds and the maturity date will remain the same (2034). This will result in savings of \$127,000 in the first year alone.

"Once again Westland was able to take advantage of our excellent bond rating and historically low interest rates to save tax dollars," commented Mayor Wild.
