City of Westland to Host 2022 Earth Day Celebration

Westland, MI (April 19, 2022) -On Friday, April 22 the City of Westland will host its Annual Earth Day Celebration. The event will take place at 10:00 a.m. at the Recycling Center, located at 37137 Marquette St.

This year's event will include presentations and information on the city's continued effort to make Westland the ideal place to live, work and play. In addition, Kyle Mulligan, Parks and Recreation Director, will highlight the city's latest program, "Feet On The Street." This program will educate residents on the curb-side recycling program and better help Westland's contamination levels. Devin Adams, Controller and Purchaser will update the City on "EV Westland," highlighting the new charging stations being installed throughout the city.

"Here in Westland., we are always excited to celebrate this important day with the community. We look forward to highlighting the many things Westland residents have done for the *Mission:Green* cause and will continue to offer new ways for residents to help us in protecting our planet," said Parks and Recreations Director Kyle Mulligan.

The Ceremony will conclude with a special Eco-Award given to United States Congresswoman Rashida Tlaib for being an Environmental Champion and her continued work fighting for the betterment of the environment and residents in her community.

"Since 2009, the City has celebrated Earth Day annually and we are proud to continue to invest in not only our city, but our planet," commented Mayor Wild. "Westland remains committed to promoting green practices through our own efforts as well as encouraging our residents and business owners to do the same."
