## Mayor Kevin Coleman Announces Westland Farmer's Market Opening Day

Mayor Coleman is delighted to announce the opening day for the Westland Farmer's Market is Thursday, May 23 at 3 p.m. This vibrant community event promises an abundance of fresh, locally sourced produce, crafts and much more.

The Westland Farmer's Market serves as a cornerstone of our community, fostering connections between residents, farmers, artisans and small businesses. With the arrival of warmer weather, we eagerly anticipate the return of this beloved tradition.

Our mission is to provide a link between the healthy food grown by local farmers and the residents who want access to food from local growers. We believe that creating access to healthy food and supporting local farmers should be fun, so we also invited local artisans and musicians to be part of the market as well. For more information regarding the market, please visit the website by clicking [here](#).

Also located at the Farmer's Market is the Power of Produce Club! Each week kids ages 4-12 will receive \$2 in tokens to spend on fresh fruits and vegetables from our farmers. Stop by the Market Master table inside the Farmers Market pavilion to sign up for the program.

"I look forward to the Farmer's Market opening every year," said Mayor Coleman. "It is a great place to not only purchase locally sourced food and crafts, but to build connections within the Westland community."

The Farmer's Market is located at Central City Park, 1901 N. Carlson, south of the H2O zone. It will be open every Thursday starting May 23 until October 10. It will be closed July 4 and August 1, 2024. Cash, credit, and EBT will be accepted forms of payment.
