Mayor Kevin Coleman Invites You to the Official Groundbreaking for New State-of-the-Art Fire Station and Training Facility

Mayor Kevin Coleman invites you to the official groundbreaking for Fire Station #2 at 11 a.m. on Thursday, September 26, 2024 located at 7300 N. Merriman Rd.

The new Fire Station #2, Brian Woehlke Command Training Facility, and Todd Stanaway Training Tower is fully funded by the State of Michigan with the \$7 million that was secured by Mayor Coleman in his former position as State Representative in 2023.

Westland's new Fire Station #2 will boast a new home for our Fire Administration as well as a training facility for Westland and its surrounding communities. Moving the administration puts them closer to the firefighters reducing the separation between ranks. The addition of a training facility will also allow for more efficient training.

"All of this will provide better response times and an overall more efficient Fire Department to provide services to those most important to us, the citizens and visitors of our community," stated Fire Chief Darrell Stamper.

"I would like to thank our partners in Lansing, Governor Whitmer's office and State Senator Dayna Polehanki for being supportive of expanding Westland's public safety," stated Mayor Kevin Coleman. "With their help, as well as the funding I secured as State Representative, this brand new fire station will help shorten response times and make our first responders more efficient."
