Mayor Coleman Strengthens Sister City Relationship Prospects with Hsinchu City, Taiwan

Mayor Kevin Coleman was honored to be invited to Hsinchu City, Taiwan to solidify our intent for a Sister City partnership.

Mayor Coleman visited the Hsinchu City Government Hall to meet Acting Mayor Chiu Chen-Yuan and members of his administration. Here they were able to discuss our shared values of democracy, our common interests related to technology, and how our cities operate.

During the meeting, Mayor Coleman joined Mayor Chiu in signing a Memorandum of Understanding (MOU) that states each city's role in the partnership and how they promise to foster growth between our communities. The MOU outlines how Hsinchu City and Westland will host student exchanges, cultural events, and share insights into vocational training & education in the future.

Hsinchu City is a cultural and technological hub of Taiwan. It hosts the headquarters of the Taiwan Semiconductor Manufacturing Company (TSMC) where they create computer chips for a range of different products, including automobiles. With Westland's proximity to Ford and other automotive companies, this offers a unique experience to share manufacturing knowledge among many other topics.

While in Taiwan, Mayor Coleman also attended the 2025 Smart City Summit & Expo in Taipei. This visit was funded by the Taiwan Computer Association (TCA). The work he accomplished there will undoubtedly prove to be an asset to the residents of Westland.
