## Wayne County Announces Wayne Road Bridge Ribbon Cutting Ceremony Today at 3 p.m.

The City of Westland is pleased to announce the reopening of the Wayne Road bridge following the completion of a significant Wayne County construction project that began in March 2025.

The project included vital structural repairs, resurfacing, and safety enhancements to extend the life of the bridge and ensure it meets the needs of Westland residents and commuters well into the future.

The ribbon will officially be cut today, **Monday, October 20th at 3 p.m.**

"We're excited to welcome drivers and pedestrians back to the newly improved Wayne Road bridge," said Mayor Coleman. "We thank our residents and local businesses for their patience during the closure and are proud to see this important Wayne County infrastructure project completed ahead of schedule. A special thank you to Wayne County Executive Warren Evans and the entire team at Wayne County that we worked closely with throughout this project."

The reopening of the bridge will restore a major corridor through the city, improving traffic flow and providing more direct access for residents, emergency services, and local commerce.

Motorists are encouraged to drive with care as traffic resumes across the bridge and crews complete any final work in the surrounding area.
