# Westland Building Department Permit Inspections

## Frequently Asked Questions (FAQs)

- **How can I schedule a permit inspection?**
  - Online at <https://www.cityofwestland.com/>.
  - Send an email to [inspection@cityofwestland.com](mailto:inspection@cityofwestland.com).
  - Call 734.467.3210.
- **What is the cut off time for scheduling a permit inspection?**
  - The Building Department cuts off permit inspection scheduling for the next business day at 3:30pm EST the day before or once the permit inspection slots are filled, whichever happens first. Permit inspection slots fill up fast so schedule your inspections as soon as possible to try to ensure the permit inspection is done when you need it to be.
- **If I have multiple permit inspections to schedule, can I schedule them all together or in any order I want?**
  - Permit inspections must be done in chronological order. For example, building rough and final inspections cannot be scheduled until after the corresponding trade inspections have been approved by the Building Department.
- **How many inspections can the Building Department perform in a given day?**
  - Permit inspections are capped at 20 inspections per day in order to guarantee that all inspections can be completed thoroughly.
- **When is a permit inspection appointment considered scheduled?**
  - A permit inspection appointment is considered scheduled once the Building Department has confirmed the appointment.
- **When are permit inspections performed?**
  - **Building inspections** are performed Monday through Friday from 9:00am until all inspections are completed for that day.
  - **Electrical and plumbing inspections** are performed Tuesdays and Thursdays from 9:00am until all inspections are completed for that day.
  - **Mechanical inspections** are performed Tuesday through Thursday from 9:00am until all inspections are completed for the day.
- **Are after hour and weekend permit inspections available?**
  - Yes, after hour and weekend permit inspections are available subject to the availability of the inspectors. Please contact the Building Department as soon as possible if you need an after hour or weekend permit inspection.
- **Is there an extra fee for after hour and weekend inspections?**
  - Yes, there is a minimum two-hour inspection fee at \$75.00 per hour.

- **If I have questions about the permit inspections, how do I reach the Building Department?**
  - If you have questions about your permit or need to try to schedule a specific time frame for your permit inspection on your scheduled day you can call the following numbers:
    - **Building Department 734.467.3210**
    - **Building Inspector 734.467.3217**
    - **Electrical Inspector 734.467.3214**
    - **Mechanical Inspector 734.467.3213**
    - **Plumbing inspector 734.467.3215**
  
- **Are there fees for a permit inspection cancellation?**
  - Yes, same day cancellations or no access are subject to a re-fee of \$50.00. this fee must be paid prior to the rescheduling of the permit inspection.
  
- **What happens if the permit inspection fails?**
  - You will need to reschedule the inspection once the failed items are resolved. A re-fee charge of \$75.00 will also be charged for the failed permit inspection.
  
- **Are there fees associated with rescheduling a failed permit inspection?**
  - Yes, a charge of \$75.00 will be charged for the failed permit inspection that needs to be paid prior to the scheduling of the new permit inspection.
