Parade Watchers Guide

Guests,

Thank you for taking time to join us as we remember the sacrifices of those who paid the ultimate price to defend our way of life and the freedoms we all cherish. Memorial day events are part somber occasions and part celebration.

Our Parade Route was selected to enhance participation in our parade by partnering Veteran groups, Police and Fire Administrators, Wayne Westland School faculty and students, Civic Organizations, and many others to ensure that families gathering to view the parade can do so in a safe and comfortable manner.

Please use the map on this page when selecting where you will be parking for this years celebration. Please utilize these designated public parking areas to minimize the impact on our business partners in the community.

Please plan on arriving to your selected location along the parade route by 12:30 as road closures will be in effect after that time.

Public Rest Room facilities will be located at John Glenn H.S., Westland Farmers Market, and at the Veteran's Memorial Garden for your convenience.
